Chairman's Podium

We have had a wonderful season and I would like to congratulate all our musicians for their progress and achievements this year. Also, I would like to encourage all our families to register with our e-script program to help with our fundraising needs. The more families that register, the more funds we can raise and the better we can support our musicians. Finally, I'd like to invite you all to our Philharmonic final concert of the season, presenting some of the most important American classical works and featuring Hoyt Smith from KDFC in San Francisco as the narrator for Copland's Lincoln Portrait. I wish you all a wonderful summer and I hope to see you all next season.

world, Austria has been the location of the absolute greatest classical musicians in history and was the musical capital of the world for a significant portion of history. Countless famous musicians have lived, worked, and performed in Vienna including: Joseph Haydn, Richard Strauss, Ludwig van Beethoven, Johan Strauss, Gustav Mahler, and Wolfgang Amadeus Mozart. Vienna is home to the Burgtheater and the Akademietheater which are considered the best theaters in the German-speaking world. Tour Update

Several changes to the 2007 Eastern Europe Tour have been made which are sure to make the upcoming tour even more exciting!

Warsaw and Wroclaw Poland are the first cities we will visit. Poland has been the home of many famous composers and musicians including Adam Jarzębski, Witold Lutosławski, Vladislav Szpilman, and of course Frédéric François Chopin. Warsaw is home to a number of famous musical venues including the Teatr Wielki, the Polish National Opera, the National Theater, and the National Philharmonic Hall. Warsaw also holds a number of well known seasonal festivals among which are the International

Frédéric Chopin Piano Competition, the International Contemporary Music Festival Warsaw Autumn, the Mozart Festival, and the Festival of Old Music. Also located in Warsaw is the Chopin Museum where we are planning a lovely sight-seeing visit.

Following Poland, the orchestra will head west en route to the famous city of Prague in the Czech Republic. Prague has played a central role in classical music throughout the ages. It was the home of Antonín Dvořák and played a central role

in the life of Wolfgang Amadeus Mozart especially when it came to his operas *The Marriage of Figaro* and *Don Giovanni* (which premiered in Prague). Today, Prague's musical scene includes many famous performance venues such as the well known Dvořák Hall, where the Phil hopes to perform, and the Czech Philharmonic Orchestra.

Now the moment you have all been waiting for! Vienna, Austria; ladies and gentlemen, will be the San Jose Youth Symphony's fourth stop on tour 2007. More than any other part of the

the *Beautiful Blue Danube* as Johann Strauss put it in one of his most famous waltzes, has been a cornerstone of culture throughout the ages. The Danube contains the sites of some of the earliest human cultures including the danubian neolithic cultures. It was also where the Danube School of landscape painting was founded. Such a historic river will make our Dinner Cruise on the Danube River, on the

final evening of our tour, all the more special and memorable!

Along with the sight-seeing opportunities of the Chopin Museum and the Danube River we plan to perform 5 concerts, including possible collaboration concerts, at various conservatories and professional halls throughout Eastern Europe. Our tour of Eastern Europe in 2007 is sure to be a trip to remember! Friends and family are welcome on this tour; get your requests in early!

Natural Harmonies

SJYS Percussion Ensemble Concludes a Successful Season!

The San Jose Youth Symphony Percussion Ensemble enjoyed its most successful season this year. The group grew in the number of percussionists as well as artistic quality. We gave our first full concert on November 17, 2005 at the Willow Glen High School Little Theatre. A substantial crowd showed up for an entertaining evening of all percussion. Jacob Steuer and Kevin Brown were featured in this concert on drum set. Two of the pieces performed were arrangements by Galen Lemmon of "Danny Boy" (for all keyboard percussion ensemble) and John Williams' "March from 1941."

In January 2006 the ensemble performed at a Day of Percussion held

at Ida Price Middle School and then traveled to Fresno for the Fresno State University Day of Percussion on February 25th. The ensemble was judged by well-known percussionists from

Galen Lemmon,
Percussion Ensemble
Conductor

across the country and received praise for its musicality and precision. Following this performance the ensemble performed at Bethany University on February 27th with

the San Jose State University Percussion Ensemble. Both ensembles performed for music majors at Bethany.

January and February also saw rewards for the outstanding members of this ensemble. Shirley Huang, Gabe Slotnick, Jon Lou and Jacob Steuer were all accepted to the CBDA State Honor Band held in Fresno. Kevin Brown, Shirley Huang (who was 1st chair), Annie Phillips, Gabe Slotnick and Gabby Lopez were all members of the Santa Clara County Honor Band.

On May 15th the ensemble performed at the San Jose State University Percussion Concert and several members performed a piece for all junk at the SJYS fundraiser on June 3rd. Those members were Andrea Buckley, David Coustier, Devon Koning, Joshua Mah, Joseph Mah, Josh Radzikowski and David Lindskog. We finished the season on June 11th at the SJYS concert. Included on the program were difficult works for percussion. They were "No Exit" by Lynn Glassock, *El Cumbanchero* by Rafael Hernandez and Christopher Rouse's *Ku-Ka-Ilimoku*.
